Happy Birthday

## Hi Cheeky Monkey

Happy Birthday to you... Happy Birthday to you!

A little birdie told me it's your birthday! To help celebrate your very special day, I have put together a birthday pack for you to download, print and have fun with.

I hope you have a great birthday filled with lots of fun memories. I'd love to see your home made birthday bunting and crown.

Please send your pictures to our Facebook or Instagram inbox  
**@shopkingsher**

See you all again soon,

*Charlie*

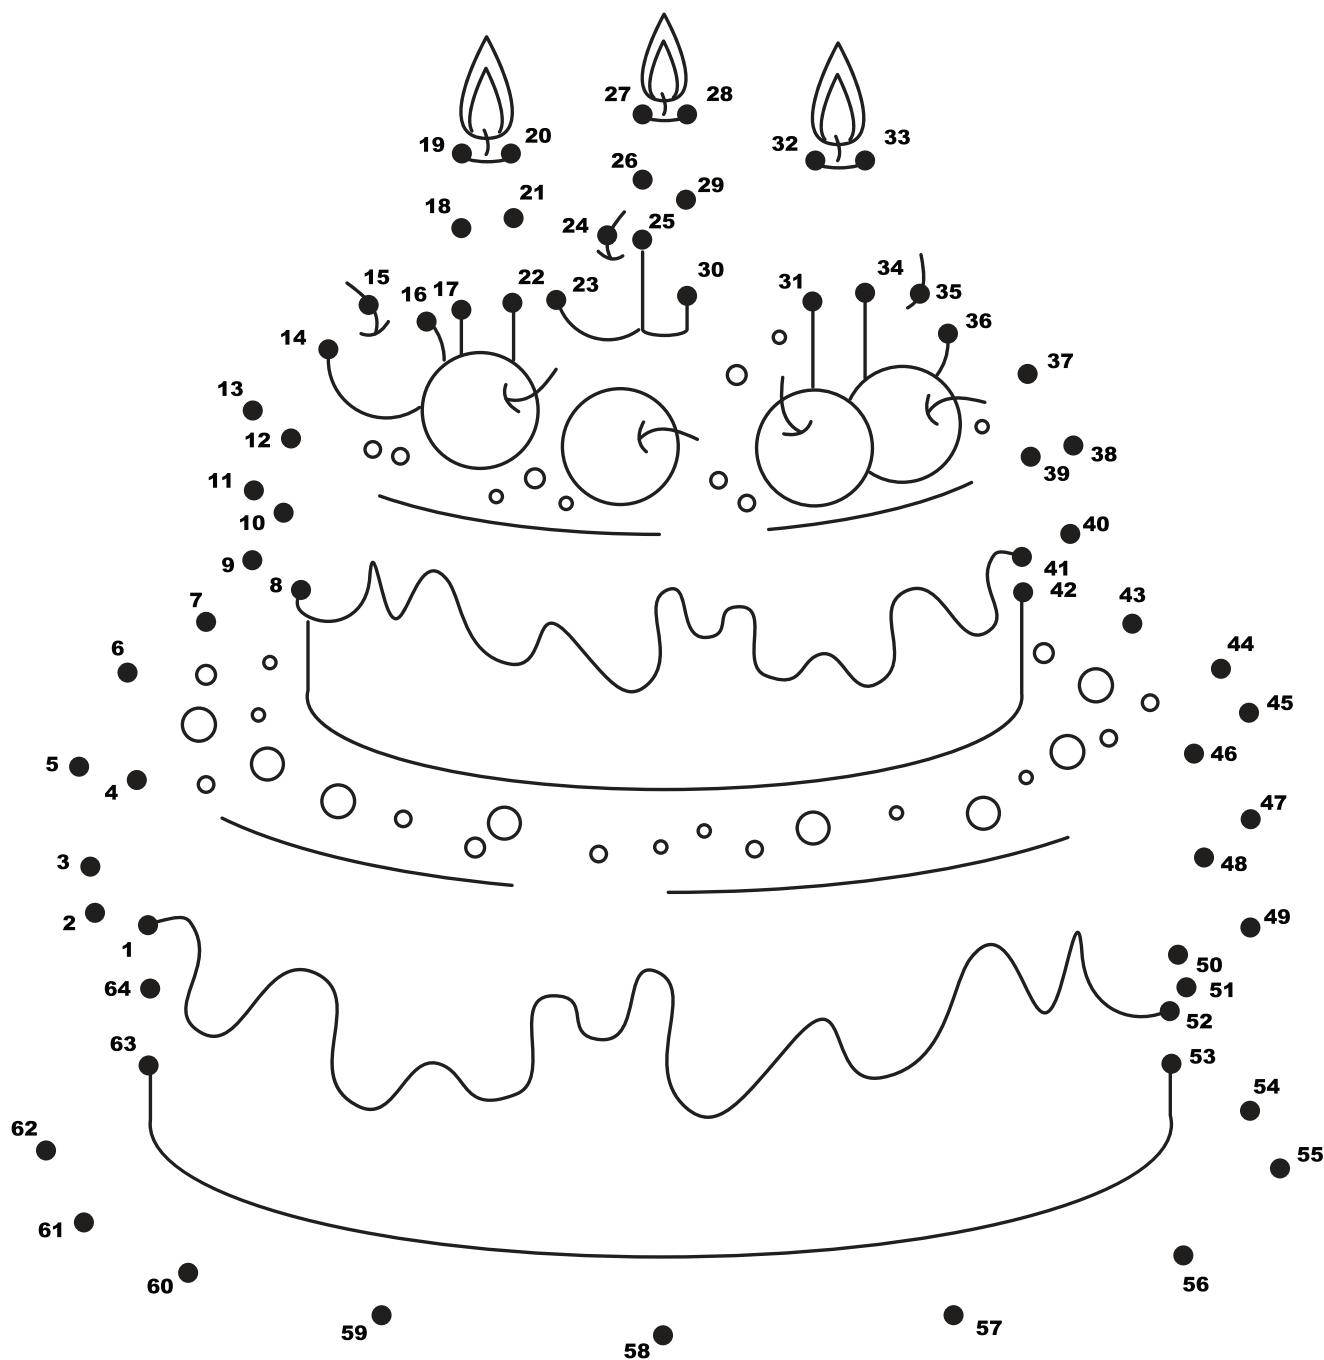

# Birthday

## DOT TO DOT

Can you join the dots to reveal the birthday cake? Colour in when complete.

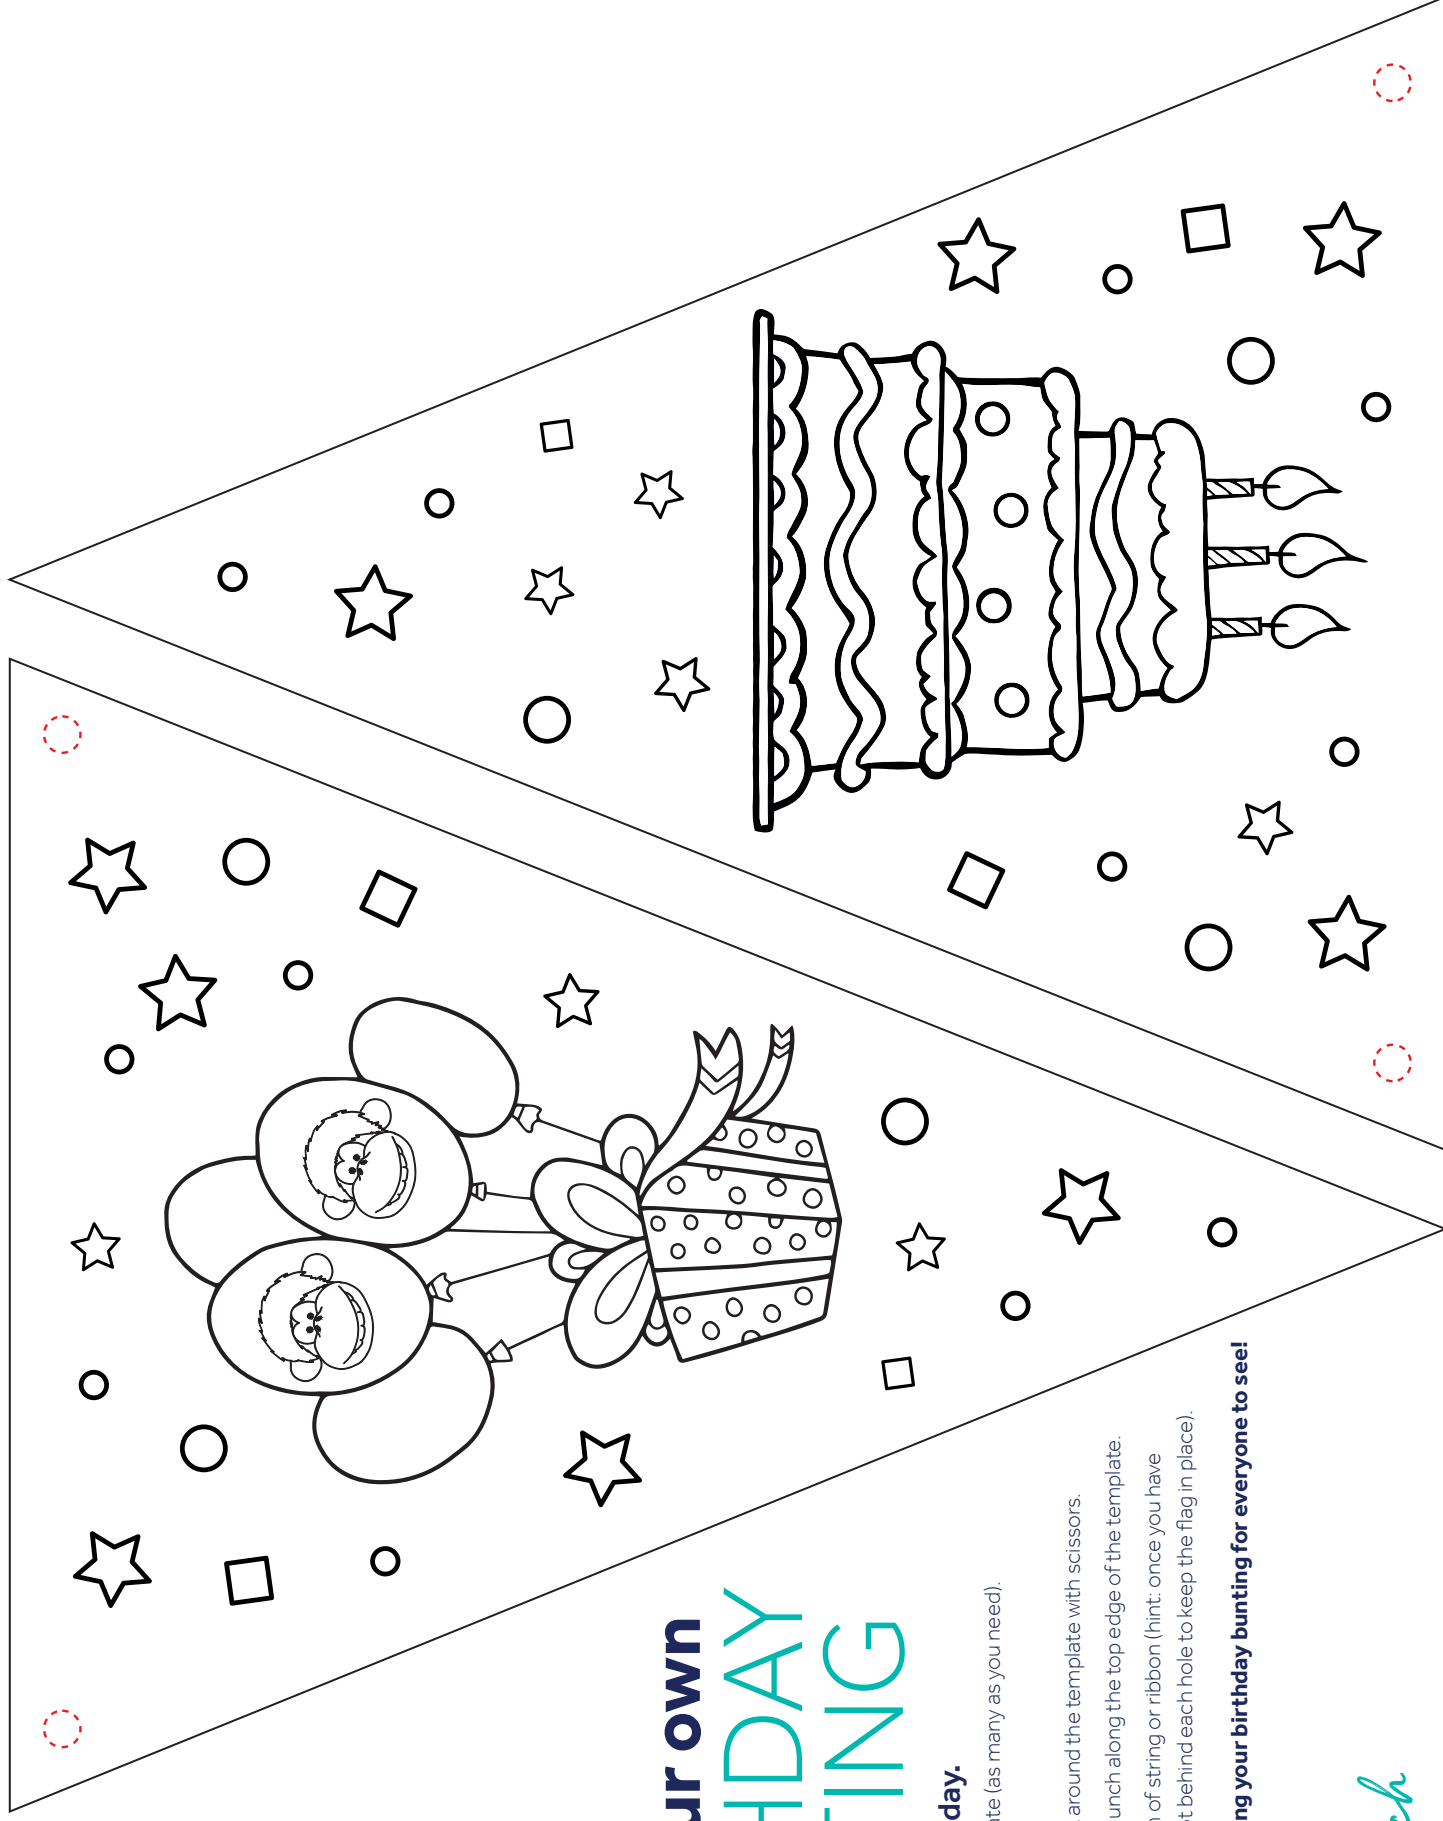

# Make your own BIRTHDAY BUNTING

## Celebrate your birthday.

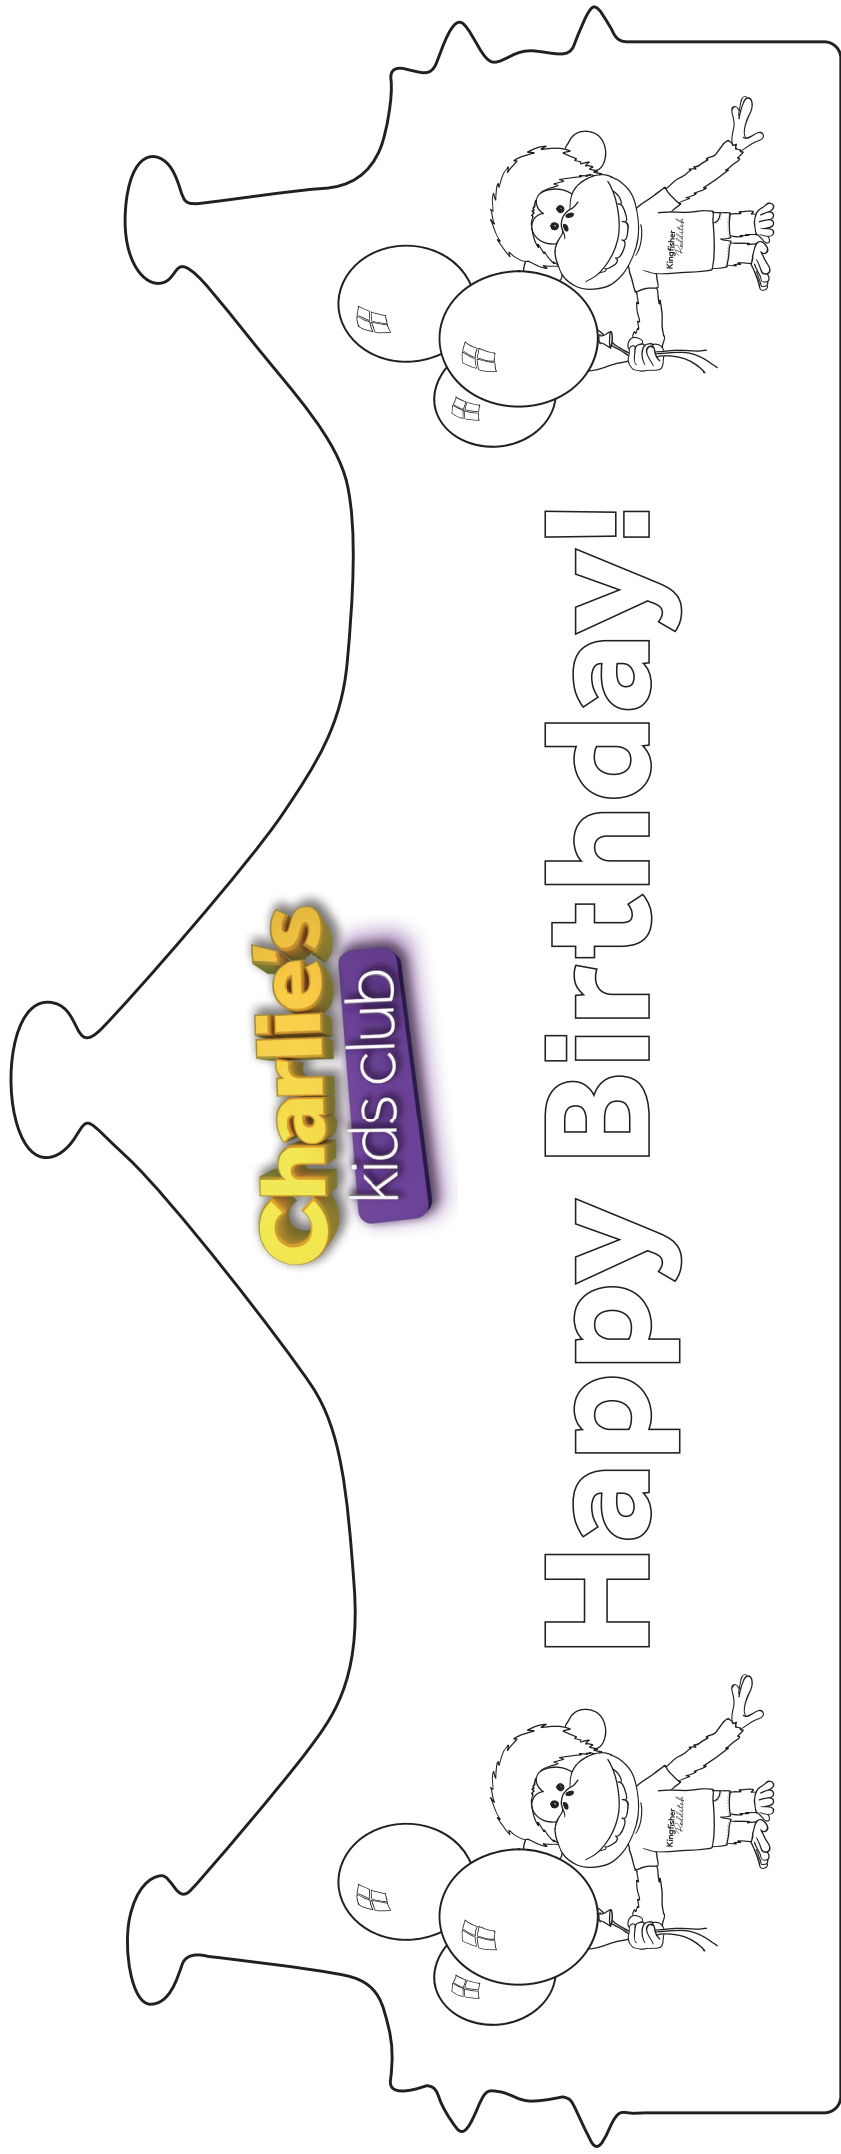

1. Print off the bunting template (as many as you need).
2. Colour in the shapes.
3. Ask an adult to carefully cut around the template with scissors.
4. Create 2 holes with a hole punch along the top edge of the template.
5. Slide the flags onto a length of string or ribbon (hint: once you have threaded a flag on, tie a knot behind each hole to keep the flag in place).

**Ask an adult to help you hang your birthday bunting for everyone to see!**

# Birthday CROWN

1. Print the two crown sheets shown.
2. Colour the front and back of the crown.
3. Ask an adult to carefully cut around the shape and strips with scissors.
4. Attach the strip to each side with sellotape to bring the crown together and adjust your birthday crown to size!

# Birthday CROWN

1. Print the two crown sheets shown.
2. Colour the front and back of the crown.
3. Ask an adult to carefully cut around the shape and strips with scissors.
4. Attach the strip to each side with sellotape to bring the crown together and adjust your birthday crown to size!
